Svetlana (Lana) Ros, Esq., at Pashman Stein Walder Hayden, as general counsel to many New Jersey medical societies, is pleased to continue the COVID-19 Virtual Town Hall Series designed specifically for physicians.

On Tuesday, December 8, 2020 @ 6:00 PM, our attorneys from the Health Care practice and Insurance Coverage & Indemnification practice will host a virtual town hall on business disruption. Please join attorneys, Lana Ros and Dennis Smith, as they provide an overview of business disruption in the midst of COVID-19, discuss the current legal environment in NJ, and address your questions, such as:

- How do I know if my policy covers business interruption?
- Should I submit a claim or put my carrier on notice?
- How can I prove physical damage to property?
- My policy has a virus exclusion. What does it actually mean?
- What type of damages does my policy cover and how do I prove them?

We strongly encourage you to submit questions in advance of the town hall to make sure we answer all of your questions. Please submit questions by 5:00 pm on Monday, December 7 via email to lros@pashmanstein.com.
